Herkey Pierce
1924 - 2008

This year's GDCC Back-to-Back Specialties were dedicated to the Memory of Herkey Pierce, a GDCC Member since 1950. Below is the eulogy for Herkey written by her Anadane Kennel partner, Susan Richards.

Herkey's Tribute

Lovingly offered by Susan Richards
Saturday, January 12, 2008

Waverly Chapel, Santa Ana, California

I first met Herkey like so many others - through Great Danes. Twenty years ago I showed up on her front doorstep with our first Great Dane pup "Tess" for aftercare...on a Tuesday. Herkey was the GrandDam of ear aftercare and folks would drive long and far for her expertise. Those Tuesdays remained a time honored ritual and tradition - long after ears were up and standing.

I remember those Tuesdays were where I caught glimpses of how special Herkey really was and will always remain. Herk's home was always busy with friends and customers who would spend hours talking, laughing, and maybe a famous bloody mary or two! For me it was more - it was about learning.

Learning about what passion and commitment were really all about. I watched Herk on Tuesdays and at dog shows...always in awe as she cultivated newcomers and oldtimers alike with her positive enthusiasm, sportsmanship and her passion for life and Great Danes. She was always infectious. For me it was the Great Dane - especially Anadane.

Herkey encouraged me to show Tess and the rest is history. Handlers come and go, Herk will be with me and many others forever.

I can honestly say that I am a better woman, both personally and professionally, because of Herkey. Her wise advice was always right on, whether it be four-legged or two-legged. I am a better wife, daughter, friend, sportsman, exhibitor, breeder and military officer because of Herkey. Her values, ethics and integrity continue to serve.

Herkey would always tell me that we live on through our generations. That your foundation must be solid, stay true to yourself and your commitments, that fads come and go - never be swayed. That our responsibility continues long after we are gone.

You must have noticed the Great Danes here today...they honor Herkey. They are the Alpha and the Omega. Sassy, Shelby & Soliel are the last litter we co-bred and born in Herk's home. Kobe the little brindle pup is the last litter we co-bred while Herk was still alive. They honor her 60 plus years of dedication and commitment to the breed. She lives on through her Anadane.

Herkey's dedicated following is impressive, those who believe in Herk and her passion. As her partner I will stay true to her and all that she blessed me with - never to sway. She will always be a part of my life leading me and guiding me in all facets and in everything I do. Her love and friendship is a huge gift and blessing that will always be honored and cherished.

It is with great love and affection that I say to you, Herkey
Mahalo, Aloha & God Speed my friend!

Susan

Great Dane makes a deer friend

May 11, 2008

As Bambi discovered, life as an orphaned fawn can be a bit scary - unless you have a friend called Rocky that is.

Doe-eyed Cindy would have been left all alone in the world were it not for the strong paternal instincts of the Great Dane, who is as protective of her as he is his puppies.

Staff at the Secret World Animal Rescue Centre in Highbridge, Somerset, have been caring for Cindy since she was found close to death when she was days old.

The dog towers over his spotted companion, who he gently nuzzles and accompanies on daily walks, ever watchful.

The two-week-old fawn returns the affection by rushing over to her trusted friend whenever she is in need of reassurance.

Pauline Kidner, who runs the centre, told the Daily Express: "A nurse found her in a terrible state. She was wet, cold and almost unconscious.

"Rocky belongs to my son Simon. I was walking Cindy and Rocky was there and she thought he was more likely than me to be her mother."

Come this autumn however, carers hope Cindy will be confident enough to leave her companion and join a herd of roe deer in the wild.
