The Prez Sez:

Four specialties in two days equals an amazing old fashion dog show weekend in the park. We did it! With a lot of work, a lot of dogs and a lot of fun we held our first four specialties in two days.

I would like to thank our Conformation Judges Jill Ferrera, James Remaklus, Wanda Hepler, Lourdes Carvajal, our Sweepstakes Judges Mike Boa and Cynthia Woodward and our Ring Stewards Penny Twaite and Dick Schaefer. **I would also like to thank** Bob Ardecky for being Show Chairman, Joy DeGrucio for Judges' Hospitality, Bob Tonnancour for RV Reservations, Maren and Tori Cornish for beautiful Ribbons and great Trophies, Susie, Bruce and Renee Powell for an amazing Raffle Table, Rachel de la Vega for handling the Food Table, Marion Phipps for handling the Main Gate, Mike Rodrigues for transporting the club trailer and a **huge thank you to everyone** that helped set up and tear down the site. **I also cannot forget** the generous donations made by so many people that helped support our club and shows and of course the exhibitors. **This is the kind of support that helped to make our Specialties a success.**

Do not forget our upcoming Picnic and meeting on Saturday June 25th following Dane judging at the Burbank Dog Show. Please remember to email me at mydelites@gmail.com what favorite dish you will be bringing.

Melanie Yellish

~~ COVER STORY ~~

Congratulations to the two beautiful Danes, who captured BISS at our 91st, 92nd, 93rd and 94th Independent Specialties. They will have their names added to the list of winners at our next Specialty.

This is an analogy on Trust, Dog shows and a relationship between a dog and owner my daughter wrote as a school assignment years ago. I was thinking of this as I have been showing Izzy. Thought maybe we could publish it again in the bulletin To me it really says it all...

Trust

I think of it as a growing sunflower. It all started out as a small seed, Eleanor and I. It gradually grew into a taller and stronger flower as we went through many challenges in the dog show world. There would be days we didn't want to come out into the sun and grow. Some days the other flowers soaked up all the sun, but Eleanor and I have a bond that shows all the other flowers how we are stronger and more beautiful. So together we grew into a sweet sunflower and have a great friendship.

(Showing my Great Dane Eleanor takes a lot of trust) written by Danielle Lampe 2008 (14yrs old)

Taken Oct 2008

From this time to much later, the trust is still there.....

A GREAT DANE'S HOUSE RULES.

1 DON'T COME HOME
smelling of other dogs.

2 I CAN SLEEP ANYWHERE
I choose even if it means
you trip over me.

3 DON'T GALL ME
or lead me to a bath.

4 LET ME OUTSIDE
even though I just
came in, there was an
area I forgot to sniff.

5 YOU MUST FEED ME
every goodie you eat.

6 DON'T SHHHH ME
from barking while you are
on the phone, I heard the
wind blowing the leaves.

7 If it lands on the floor
IT'S MINE!

8 DON'T THINK
you can leave a room
without me.

9 DON'T MOVE ME
while sleeping sideways in
the middle of the bed you
have enough room on the
edge.

10 YOU WILL NEVER
pee alone again.

GDCC General Meeting

May 15, 2022

Canyon RV Park – Specialties

President Melanie Yellish called the meeting to order at 12:17 pm. The following members were present – Melanie Yellish, Mike Rodriguez, Maren Cornish, Tori Cornish, Rachel de la Vega, Hillary McLeod, Susie Powell, Bruce Powell, Bob Ardecky, Joy DeGruccio, Jessica Gibbs, Patricia Schempp, Janet Lampe, Debbie Bent, Michelle Cacace, Doety Marks, Bob Tonnancour, Linda Tonnancour, Linda Tkach, and Joe Tkach. The following guests were present – Eric Von Godenschwager, Judy Landers, Carrie Michaelson, Linda Rasmussen, Marie Michaud, Ryan Michaud, Lacey Willner, Lisa Hernandez, A. J. Bent, Bev Evans, and Lynn Dowd.

OFFICER REPORTS

Recording Secretary's Report – Tori reported that the minutes from the April meeting were published in the previous bulletin and she had one correction from Cathy Schaefer on Charitable Trust certificates for the judges that she would prepare for the club.

Corresponding Secretary's Report – Gary Romerosa is currently in Europe, there was no report given.

Treasurer's Report – Rachel will present a full report for April and May at the June 25th meeting.

COMMITTEE REPORTS

Bulletin – Maren reported that there were multiple copies of the bulletin released and reminded the guests and members present that the club offers complimentary bulletins for a few issues, then you can opt for a guests bulletin subscription. The next deadline for the bulletin is May 25th.

Holiday Awards Party – Maren had nothing new to report on the venue for the banquet.

Volunteers – Maren thanked everyone who volunteered in various ways for the shows.

Specialty Trophies – Tori raised \$6,000 total in trophy donations and Great Danes N Great Deeds donated \$1,000 to our specialty trophies as well.

Membership – Tori reported that Judy is awaiting her application to be voted on at the next closed meeting. Reminder to guests to attend 2 open meetings before turning in their full application.

Rescue – Susie did not ask for number updates this month, but each rescue she is in regular contact with has 40-60 Danes, with constant calls for intakes, but most are currently closed for intakes. Please support rescues any way you can!

Raffle – Come buy tickets! There have been 2 days of raffles, and today isn't over yet!

Education – Jessica recommended getting out of the house and doing activities with your dog.

Facebook – The GDCC Group on FB is going great, over 300 members so far! Catalog ads will be shared after the shows are over.

Historian – Hillary reported that Jim has a majority of the club artifacts.

Specialty – Bob Ardecky said that the shows this weekend are going great!

Pet Expo – Pat Schempp said that she is in contact with the Great Dane Club of San Diego about the AKC Meet and Greet event in San Diego in September.

OLD BUSINESS

2023 Independent Specialty post-National – Maren talked with Kathy Munyan about specific details for an affiliate club hosting the independent specialty the Sunday after the 2023 National. There is a 75-room block that is now negotiated for Saturday night, the hotel is requiring us to fill the rooms to 80% capacity. There would be no sweep-stake for the day, and a skeleton crew is needed to run the show, it is a basic show and needs a popular judge. We would use the superintendent the National is using, so most likely Jack Bradshaw. An official proposal will be needed soon to send to the Division. This is a potential moneymaker for the club! Various people said that they would be able and willing to volunteer their time at the independent specialty. Also, that show would be our 99th specialty! The club decided that we should submit our application to host the specialty.

AKC Reunite – The club will buy a few boxes of microchips from AKC Reunite. There are 25 microchips per box, and the club will sell them for \$10 a chip – this includes AKC reunite enrollment.

NEW BUSINESS

2024 National GDCA Ballot – We will have to submit as a club 4 names for conformation judges and 2 names for futurity judges. It was voted to postpone our voting until the June 25th meeting – so be ready with names!

June picnic – The next meeting will be held at Bob & Rachel's RV on June 25th, Saturday of the Burbank KC show in City of Industry. Contact Melanie Yellish for the list of what food to bring for the picnic!

The meeting was adjourned at 12:44pm.

Respectfully submitted,

Tori Cornish

Big Dog Corner

A Few Facts About Lizards

Lizards in our area, Southern California pose no major threat or health risk to our Great Danes. But they can cause problems if your dog encounters the wrong one at the wrong time.

Most lizards carry salmonella, if a lizard is ingested by the dog chances are exposure becomes a bigger issue. This bacteria is not likely to be a danger unless your dog is a puppy, immune compromised or of poor health. Watch for symptoms such as vomiting, diarrhea, lethargy, and swollen glands. If you notice any of these symptoms contact your veterinarian.

Most dogs love to hunt, chase and play with a lizard. When the dog tried to eat the lizard if bit by the lizard watch for swelling and pain to the dogs tongue, jowls, and nose. Highly unlikely to become a problem with the blue belly lizard but the alligator lizards could cause a lot of discomfort for your dog.

Thank goodness the Gila Monster is in the Mojave, Sonoran and Chihuahuan deserts of extreme southwestern Utah, south Nevada southeastern California, Arizona, and southwestern New Mexico into Mexico.

For me I love to watch my girls hunt and chase lizards in our yard. I had one Dane, Pickles who would pick them off the side of the house which in turn caused her to lose a toenail, which took a very long time to heal.
